America and the Mark of the Beast
Israel, Babylon and Armageddon

“Startling Prophecies for America” is an eye-opening, straight-forward, well-researched and easy-to-understand series of talks (with stunning graphics) explaining the prophecy of Revelation 13 about a leopard-like “beast” (verses 1-10), a lamb-like “beast” (verse 11), and how both beasts cooperate together to enforce the mark of the beast (verses 12-16) during earth’s final crisis. Pastor Wohlberg is an expert on explaining Revelation 13, and he builds a solid case that America is pinpointed in Bible prophecy and will soon play a major role in the enforcement of Satan’s mark.

FIRE FROM THE SKY

Through divine dreams communicated to one of His chosen messengers, the Lord has revealed that great “balls of fire,” in fulfillment of prophecy, will soon descend upon wicked cities as judgments from the Almighty.
This startling information is now being made public.

And he said to me, “Do not seal the words of the prophecy of this book, for the time is at hand.”
Revelation 22:10
