STEVE WOHLBERG

SPEAKER DIRECTOR OF WHITE HORSE MEDIA

Everyone struggles with the topic of hell at some point. How do we reconcile hell and a loving God? What about loved ones that never accepted the Lord?

Steve handles this topic with compassion and Biblical soundness providing both truth and hope for your listeners. He has seen people have faith in Jesus for the first time after discovering what God's Word teaches about hell and would love to share these stories with you and your listeners. Steve is no false teacher. He knows his Bible and can defend his views before the sharpest minds.

WHAT PEOPLE ARE SAYING ABOUT STEVE AS A GUEST

“

**JENILEE SAMUEL,
SHOW HOST, JAVA WITH JEN
PODCAST**

I recently had Mr. Steve Wohlberg on my show, Java with Jen Podcast, to discuss the End Times described in the book of Revelation. I was pleasantly surprised at his grounded, biblical approach that's more balanced, healthy and hopeful than I have heard ANYONE teach before. Steve was very down to earth, easy to work with and quick to respond to any requests I had. I had a wonderful experience interviewing him.—

GIOVANNI “JOHNNY” CIRUCCI

I consider Steve an impeccable source of Christian wisdom, cutting through and getting right, critical Christian doctrines that have been dissolved by a very cunning foe.

Not only is Steve an excellent spokesman for Christ he's an equally capable advocate of truth to a non-Christian audience. His recent interview with Stew Peters shows his prowess with any audience. I am thrilled to help make any future interviews happen and I highly recommend him to any host.

**JASON HAWES & GRANT WILSON
STARS OF THE SCI FI CHANNEL'S
HIT TV SHOW, GHOST HUNTERS
BEYOND REALITY RADIO**

[Jason] Steve, thanks a lot for being on the show and I was really pleased with how you handle yourself on air. [Grant] Steve, what a great interview! You are passionate yet patient on the subject. I thought you were well spoken and diplomatic in everything you said. The spirit of Beyond Reality Radio is one of good humor without sacrificing deep thinking. The interview was very stimulating and I would love to have you on again.
