Steve Wohlberg

Pastor Steve Wohlberg is the speaker and director of White Horse Media. Steve grew up in a secular Jewish home in California and as a teenager he unfortunately wandered into the dangerous world of alcohol, drugs, and wild living. At age 20, after reading the Bible for the first time, and then *The Desire of Ages*, God changed his life. Over forty years later, Pastor Steve has become a prolific writer and public speaker. Today, his ministry is known and deeply appreciated worldwide.

Pastor Steve has a unique way of merging prophecy topics with the Good News of Jesus Christ. His passion is to exalt his Savior, to be a faithful husband to his wife Kristin, a faithful father to their children Seth and Abby, and to help prepare others for Jesus Christ's soon return. His favorite activities are spending time with his family, gardening, hiking, jogging, swimming, and snorkeling. Some of his many books include: *From Hollywood to Heaven*, *End Times Health War*, *The United States in Bible Prophecy*, *The 666 Beast Identified*, *God's Final Warning: The Three Angel's Messages*, *Secrets of Inner Peace*, and *Will My Pet Go To Heaven*. He loves to share God's Word, to lift up Jesus Christ, and to help others to know God's love and grace.

White Horse Media offers life-changing outreach seminars that will bring the Bible alive and help people in your church and community to make sense of the political chaos, uncertainty, and natural disasters that seem to never end. Bible prophecy will bring peace and hope for these troubled times and prepare us for the Second Coming of Jesus!

Rob Knott

As a young boy, Rob learned about Jesus but never really read the Bible. In his early twenties he began reading the Bible and discovered that the symbols in Daniel and Revelation can be understood. Rob was deeply impressed by the accuracy of the prophecies and wanted to share these truths with others. Years of intense studies and missionary work have only increased his desire to make a difference for the Kingdom of God by sharing the good news of Jesus Christ with people who don't know about God's plan of salvation. With his enthusiasm and friendly personality, he never tires of telling others about God's great love for them.

Rob's simple and direct approach will help Christians and non-Christians alike understand world events from a Scriptural perspective. He presents God's message in a dynamic way right from the start and leads the listeners through the eye-opening passages of the Holy Scriptures. You can watch "Bible Talks with Rob Knott" on White Horse Media's YouTube channel to see Rob in action.

By attending a prophecy seminar with Rob, your family, friends, and neighbors will learn more about the Bible in a few nights than most have learned in an entire lifetime! The truths of the Bible will bring hope and enable us to face the future unafraid.

Eric Selchow

Eric Selchow's spiritual journey has been deeply rooted in the SDA church, a lifelong devotion he considers a profound privilege. Following his graduation from Fountainview Academy in 2020, he embarked on a transformative path, enrolling in the AFCE program located in Granite Bay, California. This experience laid the foundation for his remarkable journey as an Amazing Facts Evangelist.

With an unwavering commitment to sharing the word of God, Eric delivers dynamic and scripture-rich messages that resonate with audiences of all ages. His compelling presentations are designed to captivate both the youthful and the seasoned seeker of spiritual truth.

Eric's offerings extend beyond mere speeches; he provides comprehensive evangelistic series, invigorating weekend revivals, and concise yet impactful weekend evangelistic campaigns. These powerful initiatives are now made possible through his association with White Horse Media, ensuring that the message of faith reaches far and wide.

Sam Hackenberger

At the age of 23, Sam attended a prophecy seminar that completely changed his life from that of an aspiring rock drummer to a new found love for the Word of God. With an excited passion for God's unique end-time message, he went on to produce local television and radio programs presenting the love of Jesus as revealed in the Three Angels' Messages. During this time, Sam also served as the head elder/lay pastor of a church plant that successfully developed to official church status. Sam along side of his wife Annie, currently serve as missionaries at a children's rescue orphanage in Thailand.

Available for both full or condensed outreach seminars and weekend revivals, Sam will present a powerful study on the Bible prophecies affecting you today! Using vivid graphics, the Bible will unfold in a clear, practical, and easy-to-understand way.
